

# Devil

## Gescom

Ever dance with the devil baby? Oh no  
Make my day  
Do you feel lucky? Oh no  
Tomorrow's another day  
Can you walk on water maybe? Oh no  
Turn water into wine?  
Can I buy you a drink there lady? Oh no  
Can you tell me another lie?

So be my Devil Angel  
Be my shooting star  
Be my Devil Angel  
Be my shooting star

Have I seen you somewhere baby? Oh no  
I need another line  
Are you living the dream there lady? Oh no  
Can I tell you what's inside?

So be my Devil Angel  
Be my shooting star  
Be my Devil Angel  
Be my shooting star

Stop the car there baby! Oh no  
You can't handle the truth  
So what's the point then lady? Oh no  
If ya can't stand to play and lose

So be my Devil Angel  
Be my shooting star  
So be my Devil Angel  
Be my shooting star  
Be my Devil Angel  
Be my shooting star  
Be my Devil Angel  
Be my shooting star  
Bye bye Angel  
Be my Devil
