

I Will Always Love You

Me First and The Gimme Gimmes

If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way And I will always love you, ooh
Will always love you
You
My darling, you
Mmm-mm Bittersweet memories
That is all I'm taking with me
So good-bye
Please don't cry
We both know I'm not what you, you need And I will always love you
I will always love you
You, ooh I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love And I will always love you
I will always love you I will always love you
I, I will always love you You
Darling, I love you
I'll always
I'll always love you
Ooh
