Bloodflows

SOHN

Shotgun poetry
Crack the whip again, make me see
Sharpen your knives for me
Infiltrate the mind, the body
Body

Contract killer prose
Calmly walks away as blood flows
Open, the wound grows
Melts away the water froze

My love, my love, my love don't love me
My love, my love, my love don't love me
My love, my love, my love don't love me
Cause my love, my love, my love don't love me

Contract killer prose
Calmly walks away as blood flows
Open, the wound grows
Melts away the water froze

My love, my love, my love don't love me
My love, my love, my love don't love me
My love, my love, my love don't love me
Cause my love, my love, my love don't love me

My love, my love, my love don't love me
My love, my love, my love don't love me
My love, my love, my love don't love me
Cause my love, my love, my love don't love me
Cause my love, my love, my love don't love me
