

# Little Motel

## Modest Mouse

I hope that you like it in your little motel  
And I hope that the suite sleeps and suits you well  
Well, I can see it as time and a sight through smell and  
That's why it's nice to be by yourself'Cause that's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, aren't I?  
That's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, darlin'We treat mishaps like sinking ships and  
I know that I don't want to be out to drift  
Well, I can see it in your eyes like I taste your lips and  
They both tell me that we're better than this'Cause that's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, aren't I?  
That's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, darlin'We trade tit for tat like that for this  
And I don't think that there was an insult that was missed  
I can see it in your eyes like I taste your lips and  
I'm very sorry'Cause that's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, aren't I?  
That's what I'm waiting for  
That's what I'm waiting for  
That's what I'm waiting for, darlin'It rained and it's over a shooting star  
Landed directly on our broke down little car  
We fold and we had made a wish  
That we would be missed if one another just did not exist'Cause that's what we're waiting for  
That's what we're waiting for  
That's what we're waiting on, aren't we?  
That's what we're waiting for  
That's what we're waiting for  
That's what we're waiting on, aren't we?That's what we're waiting for  
That's what we're waiting for  
That's what we're waiting for, darlin'  
That's what we're waiting for  
That's what we're waiting for  
That's what we're waiting for, aren't we?
