Little Motel

Modest Mouse

I hope that you like it in your little motel
And I hope that the suite sleeps and suits you well
Well, I can see it as time and a sight through smell and
That's why it's nice to be by yourself'Cause that's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, aren't I?

That's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, darlin'We treat mishaps like sinking ships and

I know that I don't want to be out to drift

Well, I can see it in your eyes like I taste your lips and

They both tell me that we're better than this'Cause that's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, aren't I?

That's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, darlin'We trade tit for tat like that for this

And I don't think that there was an insult that was missed

I can see it in your eyes like I taste your lips and

I'm very sorry'Cause that's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, aren't I?

That's what I'm waiting for

That's what I'm waiting for

That's what I'm waiting for, darlin'It rained and it's over a shooting star

Landed directly on our broke down little car

We fold and we had made a wish

That we would be missed if one another just did not exist'Cause that's what we're waiting for

That's what we're waiting for

That's what we're waiting on, aren't we?

That's what we're waiting for

That's what we're waiting for

That's what we're waiting on, aren't we? That's what we're waiting for

That's what we're waiting for

That's what we're waiting for, darlin'

That's what we're waiting for

That's what we're waiting for

That's what we're waiting for, aren't we?
