

# Woody Woody

## Dimie Cat

WOODY WOODY Suddenly I'm in the middle of your movie  
Come on Briggs, lemme be your Betty  
Whisper the words so sweet to me  
Those trigger words, baby bewitch me Under your spell, I'm under your spell  
If there's some way out baby don't explain  
I'm in a trance, babe I'm in a trance  
And I don't want nobody else Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood  
Be my PI and I will be your Kensi  
Come on Briggs, babe you know you got me  
Your private eye on every inch of me  
Got no alibi, I'm a jewel to steal Under your spell, I'm under your spell  
If there's some way out baby don't explain  
I'm in a trance, I'm in a trance  
And I don't want nobody else Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood  
Woody, Woody, Woody-lee-wood Put me back in a trance  
Don't want nobody else  
Put me back in a trance  
Something makes me gravitate to you  
Sneak into my room  
Strange, but I presume  
I love you, yeah Ad lib:  
Put me back in a trance, I don't want nobody else but you  
Put me back in a trance, I don't want nobody else C.W.  
You're the cream of the crop! Put me back in a trance  
Don't want nobody else  
Put me back in a trance, etc. I'm your Betty  
And I'm your Kensi  
You crackerjack!
