The Sharp Hint Of New Tears

Dashboard Confessional

On the way home
This car hears my confession
I think, tonight I'll take the long way
In this weather
The wind outside is biting
It's left me feeling tired and exposedYou've been asking me to bleed
It seems these kinds of questions
They come too easy to you nowYour lack of shame comes naturally
I should not be surprised
I should have seen it sooner
Expect me to apologize
For things that you've done wrong
While you're inciting othersYou're owning up to nothing
And I wish that I was gone
'Cause you're not going anywhereIn this damp air
It's fighting my defroster
My sighs they ring victorious
And fog this tinted glass
And it's clouded
And so is my head
The hint of these new tears are sharp
I try to choke them backBut it's useless
I'm useless against them
They're beating me with ease
On the way home
This car hears my confessions
I think, tonight I'll take the long wayExpect me to apologize
For things that you've done wrong
While you're inciting othersYou're owning up to nothing
And I wish that I was gone
'Cause you're not going anywhereOn the way home
This car hears my confessions
I think, tonight I'll take the long way
