

# Woman Stop

Paul Gilbert

If your woman stop working you can still pay the rent  
If your woman stop cleaning well the laundry's 50 cents  
If your woman stop cooking you can learn to make some food  
But if your woman stop loving you  
There's nothing you can do  
If your woman loves flowers you can keep it coming green  
If you didn't understand her you can ask her what she mean  
If she's known to tell you lies well you still might find the truth  
But if your woman stop loving you  
There's nothing you can do  
Nothing  
You know a woman can't stop rain or the snow  
Or tell the Sun not to shine  
But she can take a knife and twist it in your heart  
Make the strongest man start cryin'  
If your woman stop laughing you can tell her better joke  
If your woman stop drinking you can offer her a smoke  
If your woman stop dancing she can still put on the shoes  
But if your woman stop loving you  
There's nothing you can do  
If your woman stop loving you oooh  
There's nothing you can do  
Nothing you can do  
No No Nothing  
Nothing you can do ooh-huh  
Nothing you can do!
