

# First Time

Vance Joy

Come over to my house jump in the neighbor's pool,  
It felt nice, felt so nice  
And it was getting dark, you wrapped your long legs around me,  
I held on tight  
Lying in my bed the unfamiliar sheets felt so cool  
On your skin  
When your daddy called said you were at a friend's  
And we walked the long way home  
Going on, my first impression, I recall you wearing white  
There was something sweet in the air, babe, that summer night  
There will always be another time for us to fall in love  
But it never cuts you quite as deep as that first time (Ooh)  
You'll find out that the deepest cut is the first time (Ooh)  
The first times always cut the deepest  
Breathe me with your hands  
Show me a safe place and I'll come down, yeah I'll come down  
Can you recognize the look upon my face?  
It's on my lips, it's in my eyes  
This bar will never break, won't you say it one more time  
Won't you say my name, won't you say my name  
This bar will never break, won't you say, oh one more time  
Won't you say, say my name  
Going on, my first impression, I recall you wearing white  
There was something sweet in the air, babe, that summer night  
There will always be another time for us to fall in love  
But it never cuts you quite as deep as that first time (Ooh)  
You'll find out that the deepest cut is the first time (Ooh)  
The first times always cut the deepest  
Tadadadadadadada  
Tadadadadadadada dadadadada  
Tadadada ooh  
Tadadadadadadada  
Tadadadadadadada dada, ooh  
Going on, my first impression, I recall you wearing white  
There was something sweet in the air, babe, that summer night  
There will always be another time for us to fall in love  
But it never cuts you quite as deep as that first time (Ooh)  
You'll find out that the deepest cut is the first time (Ooh)  
The first times always cut the deepest  
The first time (Ooh)  
You'll find out that the deepest cut is the first time (Ooh)  
The first times always cut the deepest  
The first time (Ooh)  
You'll find out that the deepest cut is the first time (Ooh)

The first times always cut the deepest
