

I Lust For The Disgusting Things In Life

Peter and the Test Tube Babies

When I'm walking down the street,
I like to find some shit, I like to tread in it.
When, I fart aloud, it makes me feel proud,
when everyone looks 'round.I lust for the disgusting things in life . . .When a cats been squashed,
I try to join the rush, to go and have a suss.When I'm feeling sick,
I just get on with it, wherever I pick.
