

# November Has Come (feat. MF DOOM)

## Gorillaz

Slow it down some  
No split clown bum  
Your old hit sound dumb  
Hold it now, crown 'I'm  
Where you found them atGot 'em 'round town  
Coulda drowned in it  
Woulda floated bloatedVoted sugar coated  
Loaded hip shooter  
Draw for the poor  
Free coffee at the banks  
Hit through the straw  
None more for me, thanksThat blanks the raw  
That dang sure stank lit  
Sank passed the pit for more hardcore prank spitCrank it on blast  
Roll past front street  
Blew the whole spot  
Like some old ass with skunk meatThese kids is too fast  
Juiced off a junk treat  
Who could get looser off a crunk or a funk beat?Something is starting today  
Where did he go why you want it to be?  
Well you know November has come  
When it's gone awaySomething is starting today  
Where did he go why you want it to be?  
Well you know, November has come  
When it's gone awayBaha  
Can you dig it like a spigot  
My guess is yes you can  
Like, can I kick it?  
Wicked  
Liquor shot  
If you happy and you know it  
As you clap your hands to the thick snot  
Of a poet flowin'  
Broke a pen and I'm in cope hymen  
Dope or rhymin all worth it then  
The Hope Diamond  
Required off the blackmarket  
Or wire tappin'  
Couldn't target a jar of spit

The rapid fire spark lit  
Zzzz!  
A rapper bug zapper  
And it don't matter after if they's a thug or a dapper  
Plug yer trap or it's maximum exposure  
The beast got family in numbers asking 'em for closure  
Aw, send 'em a gun and tell 'em clean it  
Then go get the nun who said her son didn't mean it  
She wore a filled-in thong  
A billabong  
And said, nah, fo'realla  
The Villain on a Gorilla jawn? Something is starting today  
Where did he go why you want it to be?  
Well you know November has come  
When it's gone away Something is starting today  
Where did he go why you want it to be?  
Well you know, November has come  
When it's gone away  
When it's  
When it's gone away
