

See How We Move the Crowd

KingCharlie Prince

See How We Move The Crowd

This Is We About
Making The People Shout
See How We Move The Crowd
Music Is Nice And Loud

(Verse One)

1. Everybody , get on up,
2. Cause the KingCharlie Prince bout to tear it up
3. It's a party going on and it's getting packed
4. And it's looking good people know how to act
5. All the ladies and the fellas are having fun
6. They are showing so much love to everyone
7. Now this it what I call a real party
8. We all get along and not dissing anybody

This Is We About
Making The People Shout
See How We Move The Crowd
Music Is Nice And Loud

(Verse Two)

1. Check out shorty~~on the dance floor~~
2. She's moving that body I had to glance more
3. Got me open like a book~~yo Nino look
4. She's the type that'll get a brother really hooked

5. I'm gonna chill cause my lady would be pissed
6. She looking at me now, oh my God, she just threw a kiss
7. It's gonna be trouble, I mean trouble

8. Let me get home so I can get my girl and cuddle

This Is We About
Making The People Shout
See How We Move The Crowd
Music Is Nice And Loud

(Verse Three)

1. Oh no she didn't, I'm afraid she did
2. Oh my, I can't believe shorty did a split
3. She's very flexible~~and quite sex able
4. All I can say is my my, she's incredible
5. I gotta go, cause I can't be around
6. Cause I'll mess around and end up in the lost and found
7. Let's hype this party up and stay focus
8. Keep the people on the dance floor till further notice
