

It's over now

Sons Of Korah

My Son

My life was all poured out
Like water, water, water on the ground
I am leaving I am going to a better place
Oooh---, Oooh---
Itâ€™s over now-

My Son

In the grace of God be strong
For you must go on like a soldier
And I am leaving I am going to a better place
Oooh - Itâ€™s all over now Oooh- and I made it through somehow
The war is over
The race is run
Iâ€™ve kept the faith and itâ€™s over now
Ladadye, Ladadye. Ladadye x2

My Son

The race was long and hard
That I stumbled I stumbled all the way
By His Mercy By His Mercy I sta-n-d-
Oooh- Itâ€™s all over now
Oooh- and Iâ€™ve made it through somehow
The war is over
The race is run
Iâ€™ve kept the faith
Itâ€™s over now-
Oooh-, Oooh- now there is for me a cro-w-n-, a crown of righteousness
Which He will give me on that day,
Which He will give me on that day,
He will give , He will give me on that day
He will give, He will give me on that day
When I see His Face
Ladadye, Ladadye, Ladadye, (until it fades)
