Xscape

Intro (Prison guard)
Open up 6,
He's gone!

Everywhere I turn, no matter where I look,
The systems in control, it's all ran by the book,
I've got to get away so I can clear my mind,
Xscape is what I need, away from electric eyes

No matter where I am, I seen my face around,
They pin lies on my name, and push them from town to town,
Don't have a place to run, but there's no need to hide,
I've got to, find a place,
So I won't hide away

Xscape, got to get away from a system lose in the world today
Xscape, the pressure that I face from relationships that go away
Xscape, the man with the pen that writes the lies that hassle this man
Xscape, I do what I wanna cause I gotta face nobody but me

(Girl)
Sometimes I feel like
I've gotta get away

I tried to share my life with someone I could love
But games and money is all she ever thought of
How could that be my fault when she gambled and lost?
I'm tired of silly games, its time to make a change

Why is it I can't do whatever I want to? (oh)
Went in my personal life and I don't live for you (you)
So don't you try to tell me what is right for me (try it)
You be concerned about you, I can do what I want to

Xscape, (hoo-hoo) (oh, no)
got to get away from a system loose in the world today
(I've got to get away)

Xscape,
the pressure that I face from relationships that go away
(don't you know I need it?)
Xscape,
the man with the pen that writes the lies that hassle this man
(I've got to get away)
Xscape,
I do what I wanna cause I gotta face nobody but me
(get away)
Xscape,
(don't you try it)
got to get away from a system lose in the world today
Xscape,
the pressure that I face from relationships that go away
(pressure that I'm facing every day)

Xscape,
(hoo-hoo)
the man with the pen that writes the lies that hassle this man
(come on, now)
Xscape,
(come on, now)
I do what I wanna cause I gotta face nobody but me
(hoo-hoo)
