Extra Wavy

Social Club Misfits

[Intro: Marty]
This song is loud and offensive[Verse 1: Marty]
I need an eagle on my arm like I'm Ghostface
Stack a bunch of paper up until I get my own place
I'm not bragging
I don't want my parents as my roommates
Money that I get I spend
I didn't spent much time in clubs unless you say the one I'm in:
The Social Club
Before I met my girl I swear I'd pray so much
I used to rap about my exes, now I'm growing up
No more time to waste on stupid things
Nothing's new to me
I keep these rappers on a losing streak[Hook: Fern]
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it, woo! (Gang gang gang)
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it, woo![Verse 2: Fern]
I tell 'em I been up since the morning
No problem, no pressure
I'm not even yawning, I'm ready
On my second cup of coffee already
Up in my lane like AndrettiAnd so many debts and you get it already
But he throw these words in a [?] melodyAnother rap is a [?]
MTV on the TV screen
[?] hole in me, heavenly
This is that music that be having your kids coming back home at night
We tell them [?] how'd it feel?
Put your trust in God
[?] real over other frauds
Only one, there no other God
Team work make the dream work
So we all in while the others watch
Social Club rearrange the game
It was right on time, check your other watch

This here'll be the biggest ever
Might just park a tour bus on the block[Hook: Fern]
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it, woo! (gang gang gang)
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it, woo!
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it, woo! (gang gang gang)
They ask us how we do it
Ask us how we do it, woo!
Misfit gang gang
You know how we move it (aye)
