

# Saving Grace

## Todd Rundgren

I think I'm gonna love it  
I think I'm gonna love it  
Because I know someday  
Someone else will see it my way  
And then I'll know I was not wrong I know they won't believe it  
I know they won't believe it  
They think that I'm no good  
But I will make myself understood  
'Cause I believe it all along I think I'm gonna love it  
I think I'm gonna love it  
I think I'm gonna love it  
When they finally see I know they won't believe it  
I know they won't believe it  
I know they won't believe it  
When they finally see  
The saving grace in me I know the time is gonna come  
When I will mean something to someone  
Until that day I'm hanging on I think I'm gonna love it  
I think I'm gonna love it  
Because I know someday  
Someone else will see it my way  
And then I'll know I was not wrong I know they won't believe it  
I know they won't believe it  
They think that I'm no good  
But I will make myself understood  
'Cause I believe it all along I think I'm gonna love it  
I think I'm gonna love it, yeah  
I think I'm gonna love it  
When they finally see I know they won't believe it  
I know they won't believe it  
I know they won't believe it  
When they finally see  
The saving grace in me I think I'm gonna love it  
I think I'm gonna love it  
I think I'm gonna love it  
When they finally see I know they won't believe it  
I know they won't believe it  
I know they won't believe it  
When they finally see

The saving grace in me Know I'm gonna love it  
I think I'm gonna love it  
When they finally see I know they won't believe it  
I know they won't believe it  
I know they won't believe it
