Is Apollo Still Alive?

Rave The Reqviem

Sing hallelujah, fuckers
It is done
His Holy word is spoken through the barrel of a gun

And God is pissed like he was in the Old Testament
So, baby
Raise your hand and say goodbye to sentiment

Fight
Fire
Fight fire with fire

Fight
Fear
Fight fear with fear

NOW THERE'S JUST ENOUGH BLOOD
ON OUR CHILDREN'S GRAVE
TO FEED A WHOLE NATION OF VAMPIRES AND SLAVES

SO WHAT CAN WE DO BUT SMILE
END THIS WORLD AND SET US FREE
WE'RE ALL DOOMED TO BURN IN HELL
FOREVER ROT IN MISERY

Is Apollo still alive
