

Hold Your Children Close and Pray for Oblivion

[Anaal Nathrakh](#)

(?)This is what you wanted, this is what you needHold your children close and pray for oblivion!As the world goes

The strong do what they can
And the weak suffer what they must

Shallow be thy graves(?)This is what you wanted, this is what you needHold your children close and pray for oblivion!As the world goes!

The strong do what they can
And the weak suffer what they must

Shallow be thy graves
There shall be the whole of the law
[?] would love to change your mind

Cause you were [?] from me

All this fucking insanity you have to worship me
Trust me cause you're blind there is no way to fucking see

This is what you wanted, this is what you need
