

# Falling for You (Dulsae Remix)

[Lyon Hart](#)

Lay my hands down  
And let you take 'em  
We'll fall asleep if you stay  
If I fell down I wonder if you'd catch me  
NoI trip on all your wires  
Climb onto your rope  
I swore I'd never let you have  
What you don't deserve again  
Saw you meltdown  
But I still think you're frozen  
You fooled me once before but now I'm  
Falling for you all over again  
I'm falling for you, oh  
Falling for you all over again  
I'm falling for you, oh  
Steal my heartbeat  
To play your marches  
We'll dance til you say no more  
Is there some way that I could stop the needle  
NoI skip through all your fires  
Climb into your palm  
I swore I'd never let you steal  
Pieces out of me again  
If I break down  
Will you still leave me broken  
You fooled me once before but now I'm  
Falling for you all over again  
I'm falling for you, oh  
Falling for you all over again  
I'm falling for you, oh  
You fooled me once before but now I'm...  
Falling for you all over again  
I'm falling for you, oh  
Falling for you all over again  
I'm falling for you, ohFalling for  
I'm falling for you  
Falling for  
I'm falling for you  
Falling for

I'm falling for you...
