See

The Kin

Right now all I can taste are bitter tears
And right now all I can see are clouds of sorrow
But from the other side of all this pain
Is that you I hear, laughing loud and calling out to me?Saying "See, it's everything you said that it would be,
And even better than you would believe.
And I'm counting down the days until you're here with me,
And finally, you'll see."But right now, all I can say is "Lord, how long
Before you come and take away this aching?"
This night of weeping seems to have no end.
But when the morning light breaks through,
We'll open up our eyes and we will seeIt's everything that He said that it would be
And even better than we would believe
And he's counting down the days 'til He says "Come with me."
And finally he'll wipe every tear from our eyes
And make everything new, just like he promised
Wait and see, just wait and see, wait and seeAnd I'm counting down the days until I see
It's everything He said that it would be
And even better than we would believe
And I'm counting down the days 'til He says, "Come with me."
And finally, we'll see. We will see.Oh taste and see that the Lord is good, the Lord is good
The Lord is good. Oh taste and see that the Lord is good
The Lord is good.
