

Keep On Lovin' Me

The Whispers & Wardell Potts Jr.

When times get tough, I want to give it up
I just can't let it go like that
And oh, how long it took to build it up
There must be some reason why we come back Love, I am alive
The only thing I've ever done that still feels right
Must be sad in my ways
A stubborn kind of fella, he's not everyday Just keep on lovin' me
Just keep on lovin' me
(Lovin' me) I dreamed last night that I lost your love
I felt sad because it seemed so real
I don't climb to bed, I had to call you up
And make sure you notice what I feel
How many times, I took for granted
But you know our love was sound
Stay by my side, let nothing feel when
I put my feet on solid ground So just keep on lovin' me
Just keep on lovin' me
(Lovin' me) Hey Scottie
Yeah
What does that mean?
That means I'll never give up the love that's good to me Keep on lovin' me
Just keep on lovin' me
(Lovin' me) (Lovin' me)
Just keep on lovin' me
Hey Scottie
Yeah
What does that mean?
That means it's just for my baby to know Hey baby
Keep on, keep on, keep on, keep on Just keep on keepin' on
Just keep on doin' it, baby
Just keep on keepin' on
Just keep on doin' it, baby Just keep on keepin' on
Just keep on doin' it, baby
Just keep on keepin' on Hey Scottie
Yeah
What does that mean?
That means I'll never give up the love that's good to me Keep on lovin' me
Just keep on lovin' me
Keep on, keep on, keep on, keep on Just keep on keepin' on

Just keep on doin' it, baby
Just keep on keepin' on
Just keep on doin' it, babyJust keep on keepin' on
Just keep on doin' it, baby
Just keep on keepin' on
Just keep on doin' it, babyJust keep on lovin' meHey Scottie
Yeah
What does that mean?
That means I'm ready to love my baby with all my heartJust keep on lovin' me
Just keep on lovin' me
(Lovin' me)
