

Touch My Body

[Mariah Carey](#)

MC, in the place to be I know that you been waitin' for it, I'm waitin' too
In my imagination I be all up on you
I know you got that fever for me hundred and two
And boy I know I feel the same my temperature's through the roof If it's a camera up in here
Then it's gonna leave with me when I do, I do
If it's a camera up in here
Then I best not catch this flick on YouTube, YouTube 'Cause if you run your mouth and brag about this secret
rendezvous
I will hunt you down
'Cause they be all up in my business like a Wendy interview
But this is private, between you and I Touch my body, put me on the floor
Wrestle me around, play with me some more
Touch my body, throw me on the bed
I just wanna make you feel like you never did Touch my body, let me wrap my thighs
All around your waist, just a little taste
Touch my body, know you like my curves
C'mon and give me what I deserve and touch my body Boy you can put me on you like a brand new white tee
I'll hug your body tighter than my favorite jeans
I want you to caress me like a tropical breeze
And float away with you in a Caribbean sea If it's a camera up in here
Then it's gonna leave with me when I do, I do
If it's a camera up in here
Then I best not catch this flick on YouTube, YouTube 'Cause if you run your mouth and brag about this secret
rendezvous
I will hunt you down
'Cause they be all up in my business like a Wendy interview
But this is private, between you and I Touch my body, put me on the floor
Wrestle me around, play with me some more
Touch my body, throw me on the bed
I just wanna make you feel like you never did Touch my body, let me wrap my thighs
All around your waist, just a little taste
Touch my body, know you like my curves
C'mon and give me what I deserve and touch my body I'ma treat you like a teddy bear, you won't wanna go
nowhere
In the lap of luxury, laying intertwined with me
You won't want for nothing boy
I will give you plenty of joy Touch my body, put me on the floor
Wrestle me around, play with me some more
Touch my body, throw me on the bed

I just wanna make you feel like you never did Touch my body, let me wrap my thighs

All around your waist, just a little taste

Touch my body, know you like my curves

C'mon and give me what I deserve and touch my body Touch my body

Touch my body

Touch my body

Touch my body

Touch my body
