

Crossroads

Dead by April

There are things that I need to say,
So hear me,
Please don't take this the wrong way,
Hey, I don't wanna make things harder, no,
I don't wanna complicate,
This is keeping me awake(Yeah)
Standing at the crossroads now,
And we can't back down,
'Cause there's nothing left worth saving there,
(Yeah)
We need to close the door
We've been here before,
Now there's nothing left worth saving there I hear you,
Maybe we're not indestructable,
I know that,
We can be more if we let it go,
I know that,
We can be so much better, girl,
If we make the right choice now,
We don't need to look back
(Yeah) Standing at the crossroads now,
And we can't back down,
'Cause there's nothing left worth saving there,
(Yeah)
We need to close the door,
We've been here before,
Now there's nothing left worth saving there 'Cause you're breaking me, shaking me,
You're taking me over,
We were love drunk, we sunk,
We need to get sober,
Before we fall over Standing at the crossroads now,
And we can't back down,
'Cause there's nothing left worth saving there, Standing at the crossroads now,
And we can't back down,
'Cause there's nothing left worth saving there,
We need to close the door,
We've been here before,
Now there's nothing left worth saving there
