

# Marry Me

## Train

Forever can never be long enough for me  
To feel like I've had long enough with you  
Forget the world now, we won't let them see  
But there's one thing left to do Now that the weight has lifted  
Love has surely shifted my way Marry me  
Today and every day  
Marry me

If I ever get the nerve to say hello in this cafe Say you will  
Say you will Together can never be close enough for me  
To feel like I am close enough to you  
You wear white and I'll wear out the words I love you  
And you're beautiful Now that the wait is over  
And love has finally showed her my way Marry me  
Today and every day  
Marry me

If I ever get the nerve to say hello in this cafe Say you will  
Say you will Promise me you'll always be  
Happy by my side  
I promise to sing to you  
When all the music dies And marry me  
Today and everyday  
Marry me

If I ever get the nerve to say hello in this cafe Say you will  
Say you will  
Marry me
