

No...say No

N2u

Look, I need to talk to you
To tell you what I'm 'bout to do
And I need your help to stop me
'Cuz I gotta girl at home that loves me Boy, I got myself in a tight situation
'Bout 5'5" long hair with brown eyes
Heard about ya man and I can't escape it
Oh, it ain't no use in trying So come on out, come on out
I know you're in there I need you now
'Cuz I'm about to lose it all
And you're the only one I can call on Know if you hear me I need you
Know if you're listening I'm in trouble
Know if you're there I'm falling
And I can't get up so hurry up and just say no, no, no
No say no Now I'm in the hotel elevator
On my way up to her room
Where she's waitin' on me to lay it down
And do whatever as long as I make her feel good, good, good Boy, I got myself in a tight situation
'Bout 5'5" long hair with brown eyes
Heard about ya man and I can't escape it
Ohh, there ain't no use in tryin' So come on out, come on out
I know you're in there I need you now
'Cuz I'm about to lose it all
And you're the only one I can call on Know if you hear me I need you
Know if you're listening I'm in trouble
Know if you're there I'm falling
And I can't get up so hurry up and just say no Please get me back to my girlfriend who's waitin' at home
Get me back tonight without doing wrong
And I promise, promise, promise, promise
I'll never ever do it again So come on out, come on out
I know you're in there I need you now
'Cuz I'm about to lose it all
And you're the only one I can call on Know if you hear me I need you
Know if you're listening I'm in trouble
Know if you're there I'm falling
And I can't get up so hurry up and just say (No, no, no)
'Cuz you got me in a room
(No say no)
And I'm feelin' kinda weak
(No, no, no)

Leadin' me to the bed
(No say no)
But I don't wanna cheat(No, no, no)
She just turned out the lights
(No say no)
And put my hands on her thighs
(No, no, no)
And it feels so good
(No say no)
But I know this ain't right(No, no, no)
And I wanna go home
(No say no)
No, take me home
(No, no, no)
No, I'm in trouble
(No say no)
No get me my phone(No, no, no)
[Incomprehensible]
(No say no)
[Incomprehensible]
(No, no, no)
