Die

Madcap

Die!
You motherfuckers die!
Die!
You motherfuckers die!
You take advantage of the little kids,
Just cause they don't know,
What's best for them.
You weeze the juice right off the punk rock scene,
No respect, you see the green,
Well this scene's got a purpose and it's not for your money,
It's to unify each other with colorblind ideals.
