

This Day

Point of Grace

This day is fragile soon it will end
And once it has vanished, it will not come again
So let us love with a love pure and strong
Before this day is gone This day is fleeting when it slips away
Not all our money can buy back this day
So let us pray that we might be a friend
Before this day is spent This day we're given is golden
Let us show love
This day is ours for one moment
Let us sow love This day is frail it will pass by
So before it's too late to recapture the time
Let us share love, let us share God
Before this day is gone
