

Little B's Poem

Mario Biondi

Horns of love,
you make my heart sing the joys,
rejoys that all the bells ring
Little B, you are my heart's delight
You make my life sunny and bright
Little B, you are all my heart sing for
Before you came and brought us such joy
How we hoped and prayed that you'd be a boy
But little girl you are my heart's delight
You make my life sunny and bright
Little B, you are all my heart sing for
Little girl you realize you're the one I idolize
You're such a pretty baby
We're so very glad you came our way
Horns of love,
you make my heart sing the joys,
rejoys that all the bells ring
Little B, you are my heart's delight
You make my life sunny and bright
Little B, you are all my heart sing for
