

It Is What It Is

[Kacey Musgraves](#)

I think we're thinking too hard,
So put on your shoes and get in your car,
Put it in drive and point it this way,
We don't have to talk,
You don't have to stay, But I ain't got no one sleepin' with me,
And you ain't got nowhere that you need to be,
Maybe I love you,
Maybe I'm just kind of bored,
It is what it is
Till it ain't,
Anymore We've tried being apart,
But the truth is,
We are who we are,
We're so much alike,
It ain't a good thing,
Too dumb to give up,
Too stubborn to change But I ain't got no one sleepin' with me,
And you ain't got nowhere that you need to be,
Maybe I love you,
Maybe I'm just kind of bored,
It is what it is
Till it ain't,
Anymore Till something better comes along,
Till whatever we have is gone But I ain't got no one sleepin' with me,
And you ain't got nowhere that you need to be,
Maybe I love you,
Maybe I'm just kind of bored,
It is what it is
Till it ain't,
Anymore
Yea it is what it is,
Till it ain't,
Anymore
