Made Of Stone

Evanescence

Speak your mind,
Like I care
I can see your lips moving
I've just learned not to hear
Don't waste your time
It's never enough for you, baby
Don't want to play your game anymore
No matter what you say
I'm all out of love for you, baby
And now that I've tried everything
I'll numb the pain, 'til I am made of stone
Take your time
I'm not scared
Make me everything you need me to be
So the judgement seems fair
Don't waste your time

It's never enough for you baby,
Don't wanna play your game anymore
No matter what you say
I'm all out of love for you, baby
And now that I've tried everything
I'll numb the pain 'til I am made--
To tear out my heart
For the way that it feels
I will still remember when you've long forgotten me
It's never enough for you, baby
Don't wanna play your game anymore
No matter what you say
I'm all out of love for you, baby
And now that I've tried everything
I'll numb the pain until I'm made of stone (It's never enough)
It's never enough (It's never enough)
I'll numb the pain 'til I am made of stone
I'll numb the pain 'til I am made of stone
