

Scarecrow Man

Misfits

How 'bout a little fire scarecrow? Hangin' in a field you'll never know I'm out here
I'm telling you people best beware
I creep into town, I'm hunting my prey
Back on my post by the crack of day Lock your doors, watch your back, it's true
Turn around how do you do
I'm the scarecrow man, I'm the scarecrow man People dying every night
Mutilations a terrible site
Look 'round the victims really hard
Scarecrow's death straw calling card And I'm coming and killing it's true
Turn around how do you do
I'm the scarecrow man, I'm the scarecrow man
scarecrow man, scarecrow man I'm the scarecrow man
I'm the scarecrow man Hangin' in a field you'll never know I'm out here
I'm telling you people best beware
I creep into town, I'm hunting my prey
Back on my post by the crack of day I've come to kill you, I will
I'm gonna eat you be still
I'm the scarecrow man
