

Big Fish

FFH

Do de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da umDo de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da umAre you in the big fish
Are you sitting in the belly of a world gone mad
Have you turned your back on His wish
On His will for your life, have you made Him sad
Do you want to get out of the big fish?
Listen to God and follow His plan
And you won't be part of the main dish
He'll spit you out on to dry land
Spit you out on to dry landDo de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da umYou're one brick short of a load now brother
You're one shot away from a bulls-eye
You are missing the mark on your spiritual walk
You started walking away now you're sinking
Into the deep, wake up from the sleep
See your one fry short of a happy meal
You are incomplete by your own deceit
You turned your back, now you're going swimmingDo de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da umAre you in the big fish
Are you sitting in the belly of a world gone mad
Have you turned your back on His wish
On His will for your life, have you made Him sad
Do you want to get out of the big fish
Listen to God and follow His plan
And you won't be part of the main dish
He'll spit you out on to dry land
Spit you out on to dry landDo de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da umYou're sinking low, how low can you go

So low that you don't know which way to go
To the truth or to the dare
If you take the dare then you'll be smarter there
But run to the truth and you will find
That a rescue arrives right in time
To pick you up back on your feet
Obedience is neat Do de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da um Are you in the big fish
Sitting in the belly of a world gone mad
Have you turned your back on His wish
On His will for your life, have you made Him sad
Do you want to get out of the big fish
Listen to God and follow His plan
And you won't be part of the main dish
He'll spit you out on to dry land
Spit you out on to dry land Do de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da um Do de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da um Do de dum da digga dum dum da dum
Do de dum da digga dwee ah
Do de dum da digga dum dum da dum
Do de dum da digga dum da um Wanna get down
Wanna get down
Wanna get down
