

# Voices (Jimpy & Wolff mix)

Dario G

We sailed over seven seas  
Searching for that missing key  
Unlock a new  
World harmonyClimb the highest mountain range  
Then we took the longest train  
Looking for our  
Perfect refrainI hear voices in the sky  
(In the sky)  
In the sky  
(In the sky)Hidden rhythms in the rivers run  
Blinding beats in the desert sun  
Hear them today  
Play all as oneDistant voices in a far off sky  
Led us to the elusive prize  
To the new sound  
We testifyNa-Na-Na-Na-Na-Yey-E-Yeh  
Na-Na-Na-Na-Na-YehThere's hidden rhythms in the sun  
In the sun  
I hear voices in the sky  
In the sky
