

# This Is My Life

RTZ

Strike me down in this very spot  
If I ever told you a lie  
Just as sure as I'm standing here  
You're my heart's one desire In all my life I've never found someone  
who makes me feel more like a man  
And you're someone I can talk to  
So I know you'll understand I don't mean to be indelicate  
It's the last thing on my mind  
But there's something that's been troubling me  
And it's grown over time  
At first it seemed you depended on me,  
but now you're trying to run the show  
Please don't take this the wrong way  
But there's something you should know This is my life, this is my life  
And I know you want to run it for me  
But that isn't what I need  
Baby, that's just the way it is Oh, mamma when I look at you  
You're my joy and my pride  
But how can something so beautiful  
Be such a thorn in my side At first you came on so innocent,  
but it seems you'd like to have control  
Well there's some things that I just can't countenance  
And it's high time that you know  
This is my life, this is my life  
And I know you want to run it for me  
But that isn't what I neeee-ed  
Baby, that's just the way it is  
And that's the way it's gonna be  
This is  
'Cause this is my life  
This is  
This is my life  
Ooooh oooh oooh oooh  
This is, this is, this is my life And I know you've got it in for me  
It's plain for all to see Baby, this is my life, this is my life  
And I know you want to run it for me  
But that isn't what I neeee-ed  
Baby, that's just the way it is  
And that's the way it's gonna be

Cause this is my life  
This is, this is my life  
Oooooohhh ooh oh oh oh  
This is, this is my life  
Oh oh oooh oooh ooh oh  
This is, this is, this my life  
...And I ain't gonna fall in line  
This is, this is my life  
And I ain't gonna fall in line...
