Oceans Of Time

Unanimated

like a vision, I am drowning into time of hate
running through hedges of pain
howling wolves in a glade of sleep
lost night cries in the crack of dawnburned out candles on a hill so close
like a vision I die among the oceans
with hands full of blood I rest in the fire
into a greyish forest, rain never endsI travel through... the oceans of time
the oceans of timetime is standing still as I awake from my journey
cold eyes floating within time as onewith a heart of the blackest coal
I travel through, I breathe through the shadowsI travels through... the oceans of time
