

I Will Remember You

[Amy Grant](#)

I will be walking one day
Down a street far away
And see a face in a crowd and smile Knowing how you made me laugh
Hearing sweet echoes of you from the past I will remember you Look in my eyes while you're near
Tell me what's happening here
See that I don't want to say, good-bye Our love is frozen in time
I'll be your champion and you will be mine I will remember
I will remember you Later on, when this fire is an ember
Later on, when the night's not so tender
Given time, though it's hard to remember darlin'
I will be holding, I'll still be holding to you I will remember you So many years come and gone
And yet the memory is strong
One word we never could learn, good-bye True love is frozen in time
I'll be your champion and you'll be mine I will remember you
So please remember I will remember you
I will remember you I will remember you
I will remember you
