I Will Remember You

Amy Grant

I will be walking one day Down a street far away

And see a face in a crowd and smileKnowing how you made me laugh
Hearing sweet echoes of you from the pastI will remember youLook in my eyes while you're near
Tell me what's happening here

See that I don't want to say, good-byeOur love is frozen in time
I'll be your champion and you will be mineI will remember
I will remember youLater on, when this fire is an ember
Later on, when the night's not so tender
Given time, though it's hard to remember darlin'

I will be holding, I'll still be holding to youI will remember youSo many years come and gone
And yet the memory is strong

One word we never could learn, good-byeTrue love is frozen in time
I'll be your champion and you'll be mineI will remember you
So please rememberI will remember you
I will remember you
I will remember you
