

# Good Times

Greg MacPherson

Good times, good times  
I'm goin' out tonight just to ease my mind  
I worked all day I'm gonna' play all night  
I ain't gonna' stop 'till it feels alright  
You gotta' take time for what you wanna do  
And if you had the chance I know you would too, baby  
Are you gonna meet me on the moon tonight?  
Can't guarantee I won't touch you, girl, 'cause I just might  
Good times, good times  
I watched you wiggle, baby, from behind, hey  
Skin tight pants and I watched you dance  
I asked you, honey and you took a chance  
I'm kinda outspoken 'cause my mind is broken  
I love you, baby, I sure ain't jokin', now  
Are you gonna meet me on the moon tonight?  
Can't guarantee I won't touch you, girl, 'cause I just might  
Good times, good times  
Good times, good times  
Good times, good times
