Caught In The Moment

Edgewater

[Cheerleaders] LET'S GO! C-H-E-A-T-E-R
I have a weakness, for some of her sweetness.
God made her curves for me to see.
I got a feeling that I might be cheating.
Maybe I should walk away.
I know I'm not supposed to be giving into this, but I'm
Caught in the moment.
The legs su, su sweat the sex.
She's got a hold onto me.
Caught in the moment.
I don't want her love. I just want a piece.
[Cheerleaders] LET'S GO! C-H-E-A-T-E-R
Killing the headlights
Crawled in the backseat
Now it's her friend, can I have a peek?
I got a feeling
I'll blow through the ceiling
Maybe I should walk away
I know that I can't act on it
I just have the itch
Caught in the moment
The legs, the sweat, the sex
She's got a hold onto me

Caught in the moment
Does this change the way,
The way you think of me
Caught in the moment
The legs, the sweat, the sex
Look what she did to me
Caught in the moment
She didn't mean anything
'Cause you got what I need
I swear she's just a friend
I swear she's just a friend
Oh baby, you got what I need
I swear she's just a frien
You said you don't know why
I have to taint this love

And bury it inside of me
You gotta find out
Figure out why I strayed away
Why I had to chea
Caught in the moment
It's a sickness, it's inside of me.
Caught in the moment
It's a sickness inside of me
