Kiss This Love Goodbye

James Blunt

My one, true love
You can guess what I've been thinking of
God knows, we've tried
Stayed together while our hearts dividedPut my boxes in the hall
I'll leave my keys behind
It might not be the end but now it's time
To kiss this love goodbye
To kiss this love goodbyeYou get our friends
And I will find a little place to rent
I'll hear you're doing fine and
I'll pretend you never cross my mind
So take our photos off the wall
And renovate your life
One day we might meet but now it's time
To kiss this love goodbye
To kiss this love goodbyeI give you back your life
Darling, please don't cryJust put my boxes in the hall
I'll leave my keys behind
It might not be the end now but it's time
To kiss this love goodbye
To kiss this love goodbyeMy one, true love
You can guess what I've been thinking of
