Wings of Light

Holyhell

The brightest moonlight shines in the night
Stars light the heavens in the sky
The war in heaven cries out that hell is alive
The power of darkness will riseAngels dance before my eyes
Demons live inside your mindWings of light
Wings of night
Fly into paradise
Wings of light
Wings of night
Fly into light
Feel the curse now hear the words, a spell for the dead
Your fear lives where angels fell and bled
The war in heaven cries out that hell is alive
The power of light will ariseDemons dance before my eyes
Angels live inside your mind
Wings of light
Wings of night
Fly into paradise
Wings of light
Wings of night
Fly into light
