

# What's Wrong With Me? (LP Version)

## Fanny

What's wrong with me?  
Nothing seems to make me go  
Can't go on thinkin'  
Believin' I'll find a reason to try tomorrow?  
Maybe I can start out slow  
Slower than I need to  
What's wrong with me?  
Why am I afraid to grow?  
Can it be I'm living  
Not giving? How much I'm afraid to know  
Maybe I'm a talking show  
But maybe I need to Sometimes I really do feel good about myself  
But when I'm lazy  
Ooh, it drives me crazy  
Sometimes I feel I've got to be like someone else  
But then I only let me down Oh, what whrong with me?  
Nothing seems to make me go  
Can't go on thinkin'  
Believin' I'll find a reason to try tomorrow?  
Maybe I can start out slow  
Slower than I need to
