

# No Need to Worry

## Johnny Cash & June Carter Cash

No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.

The Lord moves in mysterious ways his wonders to perform.

He plants his feet on every seed and rides on every storm.No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.The Lord moves in mysterious ways his wonders to perform.

He plants his feet on every seed and rides on every storm.

No need to worry, No need to cry.

God's gonna bless you by and by,

you'll be blessed when the lord gets through.

I found that if you'll take one step he'll take two.

I found that if you'll take one step he'll take two.
