Toy Soldiers

The Goons

Verse 1
Who'll be my Montague now
to this broken Capulet how
how how I've not for you
And you'll be my local hero
be my role model and don't
don't don't fail me now
My love don't you want love
don't you want love
I'm your biggest fan it's good
to finally meet ya I deserve a little more
what did you say-o-ay-o-ay-o
My love don't you want love
don't you want to
don't you think I deserve better
after all that we've been through
don't you want love
now what did you say-o-ay-o-ay-o
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-oy toy soldiers toy soldiers
I will love you like good-bye
i will love you like you died died
Martyr for me
My love don't you want love
don't you want this
don't you look so shocked
it's not the way i planned it
I deserve a little more
what did you say-o-ay-o-ay-o
My love don't you want love

don't you fight back no
this'll hurt less if you just submit so

how 'bout a little gratitude for what I say-o-ay-o-ay-o
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-oy toy soldiers toy soldiers
They don't know you
not like I do 'cuz
you and me were meant to be
understand you just like I do.
just like you and me were meant to be forever
One day you will learn to love me
one day you will thank me you'll see
I can't have you no one can
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-o-oy soldiers I'll follow you like
Toy-o-o-o-oy toy soldiers toy soldiers
I'll follow
They don't know you
not like I do 'cuz
only you and I were meant to be
understand you just like I do.
just like you and I were meant to be forever
They don't know you
not like I do 'cuz
you and me were meant to be
understand you just like I do.
just like you and me were meant to be forever
