

A Beautiful Exit

Miguel

Don't ever sell yourself short, sell your sad things
Accept the new, don't mangle on the past
Believe yourself, trust your intuition
You're here for a reason, oh noSpeeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young
Speeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die youngYeah you know the plan conjectures of society
The muted world, does it dream in colors?
No fear, no shame, wildhearts can't be broken
You're here for a reason, oh noSpeeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young
Speeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young, we're gonna die young
We're gonna die young, we're gonna die young
We're gonna die young
