

I Cover The Waterfront

Billie Holiday

I cover the waterfront
I'm watching the sea
Will the one I love
Be coming back to me I cover the waterfront
In search of my love
An I'm covered
By a starlit sky above Here am I
Patiently waiting
Hoping and longing
Oh, how I yearn Where are you?
Have you thought back time?
Will you remember?
Will you return? I cover the waterfront
I'm watching the sea
Will the one I love
Be coming back to me Will the one I love
Be coming back to me
