

# My Baby Left Me

Elvis Presley

Yes my baby left me,  
Never said a word  
Was it something I done,  
Something that she heard? My baby left me,  
My baby left me  
My baby even left me,  
Never said a word But I stand at my window,  
Wring my hands and cry  
I hate to lose that woman,  
Hate to say goodbye You know she left me,  
Yes, she left me  
My baby even left me,  
Never said a word, (play the blues boys) Baby, one of these mornings,  
Lord, it won't be long,  
You'll look for me baby  
And your daddy will be long gone You know you left me,  
You know you left me  
My baby even left me,  
Never said goodbye Now, I stand at my window,  
Wring my hands and moan  
All I know is that  
The one I love is gone My baby left me,  
You know she left me  
My baby even left me,  
Never said a word Yes my baby left me  
Never said a word
