Well I was never that get at school
English was not my forte, but I fought for you
Distraction was just a reaction, to you
Cause theres nothing, no theres nothing I wouldn't do for you
No nothing, not there's I wouldn't doYou were my geography girl
Climate change didn't matter, cause you changed my world
Was never in the football team
You were the only thing to occupy my dreamsMy highschool heart was bursting at the seams
Cause theres nothing, no theres nothing I wouldn't do, for you
No there's nothing, no there's nothing
