LIAR

ANTI-KRANKE

I don't mean to sound mean when I talk about the day
I believed every single word she'd say, but, things changed like she'd changed
Something's not the same
Found the things she said, did you?... were never true 'cause
She's a liar
Who won't expire
Fools with desire
Leaves you behind
She didn't break me! (She said) 'Can't you see we'd never be, because your crazy'
Sure I'm crazy
Only crazy'd think

That she would change forever
She would lie even if the truth sounded better
Never tell someone you love them, would they love you?.....' cause
They will die when they hear the truth
She's a liar
Who won't expire
Fools with desire
Leaves you behind
She's a liar
She's a liar
She's a liar
