

I Don't Know

[Kyle Riabko](#)

Last November I was told
That love is blind and your heart will not grow old
I hate to tell you, I hate to cry
But my mouth keeps moving while the tears roll from my eyes
Now every evening I feel cold
'Cause all I know is what I'm told
You can watch me moving faster
You can ask me where I'll go
But baby, don't expect an answer
'Cause I don't know, I don't know, I don't know
In the winter I feel warm
'Cause I relate to the freezing falling storms
Now I could tell you what I mean
But I don't know what I believe
You can watch me moving faster
You can ask me where I'll go
But baby, don't expect an answer
'Cause I don't know, I don't know, I don't know
I don't know where to go
I, I wish I had a heart to follow
I don't know what to know
My mind is feeling so hollow
You can watch me moving faster
You can ask me where I'll go, go
But baby, don't expect an answer
'Cause I don't know, I don't know, I don't know
I don't know, I don't know, I don't know
I don't know, I don't know, I don't know
